

**Workamper Positions  
At  
Bethpage Camp-Resort  
&  
Grey's Point Camp**

**Host**

Campground hosts are the goodwill ambassadors of our Resorts. The hosts escort campers to their sites, clean up campsites to prepare them for new arrivals, enforce Resort rules, rent golf carts and water craft, and complete various other tasks around the Resort. Our hard-working hosts help our guests anyway they can and keep our Resort looking great!

**Front Desk Clerk**

Front Desk clerks provide first-class customer service and hospitality assisting our guests with all of their needs. Front Desks clerks routinely make reservations, process check-ins, rental equipment, and guest fees, and assist in the Camp Store as needed. Polite and friendly, a smile awaits all of our guests when they enter the Camp Store.

**Gatehouse Clerk**

Gatehouse clerks are the welcoming arms of hospitality of our Resorts. Our gatehouse staff process all Express Check-ins, register guests, collect fees, and provide general directions and information about the Resort. Gatehouse clerks welcome each of our guests as old friends with a friendly and high-energy welcome!

**Maintenance Technician**

Maintenance Techs keep our Resorts running at a first-class level. Hard-working and friendly, maintenance techs respond to customer calls and ensure that our guest's utilities are working properly for their stay. Maintenance staff will work as team on various projects including electrical, plumbing, sewer, painting and carpentry. Our guests are in good hands with our skilled and experienced maintenance technicians.

## Food Service

Food Service staff prepares and serves high-quality food and beverage choices for our guests.

Our food service staff fills various roles in our full-service restaurant, catered events, The Bethpage Mini-Golf & Ice Creamery, or Beach House Snack Bar. Clean and courteous, our food service staff keep our guests coming back for more!

## Cottage Host Couple

This unique position at Bethpage Camp-Resort ensure that our Vacation Cottage Rentals are in top shape for our guests. The cottage couple will perform maintenance, quality assurance inspections, and escort guests to their cottage. Detail oriented and self-motivated, the Resort cottage couple adds all the finishing touches to make our guests vacation a special one!
