IMPORTANT: Availability is subject to change and prices are subject to increase prior to the time you make full payment. Prices are not subject to increase after you make full payment, except for charges resulting from increased government-imposed taxes or fees.

PAYMENT TERMS: If you are booking your vacation more than 45 days before departure, you may elect to pay your balance in full at time of booking, or (if applicable) to make an initial deposit and pay the remaining balance no less than 45 days before departure. Vehicle details:

- * MUSTANG CONV OR SIMILAR
- * 4 Seats
- * 2 Bags

Location details: ADDITIONAL DRIVER

* Additional drivers must meet same rental qualifications as the renter. Additional drivers must appear at the rental counter with the primary renter. An additional daily fee may apply for any additional drivers. CROSS BORDER POLICY

* Vehicles rented in the US can be driven throughout the US and Canada.

* Most locations do not allow travel into Mexico. If you wish to travel into Mexico, you will be required to purchase additional insurance to cover the vehicle while in Mexico. Please contact the branch directly to determine limitations and availability. DAMAGE WAIVER

* Damage waiver, DW, for this branch ranges between 14.99 USD and 39.99 USD per day. DW is offered at the time of rental for an additional daily charge. If the renter accepts DW, Alamo waives or reduces the renters responsibility for loss of, or damage to, the rental vehicle, including but not limited to towing, storage, loss of use, administrative fees and or diminishment of value, subject to the terms and conditions of the rental agreement and applicable laws. DW is not insurance. The purchase of DW is optional and not required to rent a car. The protection provided by DW may duplicate the renters existing coverage. Alamo is not qualified to evaluate the adequacy of the renters existing coverage, therefore the renter should examine his or her credit card protections, automobile insurance policies or other sources of coverage that may duplicate the protection provided by DW. DEBIT CARD POLICY

* Please see Renter Requirements policy for debit card information. EXTENDED PROTECTION

* The purchase of Extended Protection (EP) is optional and not required in order to rent a vehicle.

* This is a summary only and is subject to all provisions, limitations, exceptions and exclusions of the EP policy. Upon request, a copy of the policy is available for review. EP may provide a duplication of coverage already furnished under a personal insurance policy or some other source. Owner's employees, agents or endorsees are not qualified to evaluate the adequacy of renter's existing coverage.

* Optional EP provides you with minimum financial responsibility limits (at no charge to you) as outlined in the applicable motor vehicle financial responsibility laws of the state where the vehicle is operated AND excess insurance provided by the insurance policy. This supplies you and any authorized drivers with third-party liability protection with a combined single limit per accident equal to the difference between the minimum financial responsibility limits referenced above and \$1,000,000 Combined Single Limit per accident. EP will respond to third party accident claims that result from bodily injury, including death, and property damage that arise from the use or operation of the vehicle as permitted in the Rental Agreement. The policy does not provide coverage for any loss arising from the use or operation of Vehicle in Mexico. REFUELING SERVICE

* As a customer, you have a choice as to how you would like to pay for fuel.

* Option 1 - Prepay Fuel --This option allows the renter to pay for the full tank of gas at the time of rental and return the tank empty. The price is based on an estimate of current fuel prices and the average tank size for the car received. No refunds will be issued for unused gas.

* Option 2 - We Refill. --This option allows the renter to pay Alamo at the end of the rental for gas used but not replaced. Price per gallon will be higher than local fuel prices.

* Option 3 - You Refill. --This option allows the renter to return the vehicle with a full tank of gas to avoid extra fuel charges. DRIVER'S LICENSE INFORMATION

* Customers who reside in the United States, U.S. Territories, or Canada

* Customers who reside in the U.S., U.S. Territories, or Canada must present a valid, unexpired government-issued Driver's license which includes a photograph of the customer. Digital licenses are not accepted. The driver's license must be valid for the entire rental period.

* Members of the United States Armed Forces who are on active duty may present an expired home state license under the following conditions:

* They also present an Active Military ID, and

* They are in compliance with their military extension policy of the state which issued the license. These policies vary by state and customers are encouraged to check with the appropriate department of motor vehicles for more information.

- * Customers travelling to the U.S. and Canada from other countries
- * It is important that customers check with the appropriate Department of Motor Vehicles in the States or Provinces in which they intend to travel to ensure compliance with their various licensing laws. The following practices are used to ensure the customer is presenting a facially valid license at the time of rental.
- * Customers traveling to the United States and Canada from another country must present the following:
 - * Their home country driver's license, and
 - * If the home country license is in a language other than English (or French, for rentals in Canada) and the letters are English (i.e. German, Spanish, etc.) an International Driver's Permit is recommended, but not required, for translation purposes in addition to the home country license.
 - * If the home country license is in a language other than English and the letters are not English (i.e. alphabet is not an extended Latin-based alphabet like German or Spanish but is Russian, Japanese, Arabic, etc.) an International Driver's Permit is required.
 - * If an International Driver's permit cannot be obtained in the home country, another professional, type-written translation may be substituted. In either case the home country license must also be presented.
- * Customers may not rent a vehicle solely with the International Driver's Permit. The International Driver's Permit is a translation of the individual's home country license and is not considered a license nor is it considered valid identification.
- * In some locations, including but not limited to offices in Arizona, California, Georgia, New Mexico, Nevada, and Texas, customers may be asked to provide additional valid government-issued documentation.
- * Other requirements
 - * Photocopies of Driver's Licenses are not accepted
 - * "Learner's Permits" are not accepted.
 - * Any license which, on its face, restricts the licensee to the use and operation of a vehicle equipped with a form of a breathalyzer apparatus is not accepted.
 - * Temporary Driver's Licenses may be refused if the renting location is unable to otherwise verify the customer's identity or verify the authenticity of the temporary license. Additional Government-issued identification may be required.
- PERSONAL ACCIDENT INSURANCE / PERSONAL EFFECTS COVERAGE**
 - * Personal Accident Insurance/Personal Effects Coverage (PAI/PEC) is offered at the time of rental for an additional daily charge. If accepted, the PAI contained in the policy provides renter and renter's passengers with accidental death, accident medical expenses and ambulance expense benefits. The PEC contained in the policy insures the personal effects of the renter, additional drivers or any member of the renter's immediate family who permanently resides in the renter's household and who is traveling with the renter against risks of loss or damage. Benefits are payable in addition to any other insurance coverage the renter or passengers may have. This is a summary only. PAI/PEC is subject to the provisions, limitations and exclusions of the PAI/PEC policy underwritten by Empire Fire and Marine Insurance Company in the United States or ACE INC Insurance in Canada. The purchase of PAI/PEC is optional and not required to rent a car. The coverage provided by PAI/PEC may duplicate the renter's existing coverage. Alamo is not qualified to evaluate the adequacy of the renter's existing coverage; therefore, the renter should examine his or her personal insurance policies or other sources of coverage that may duplicate the coverage provided by PAI/PEC.

 - * Renters of these vehicles must be 25 years of age or older. If the primary driver of this vehicle is 25 years of age or older, they must accept the terms and conditions below. Driver's licenses are accepted from any USA state or territory, from a Canadian province or from an international country. Individuals with learner's permits are not eligible to rent. U.S. government employees ages 18 or older will not incur a young driver surcharge when renting for authorized government travel. This is only a summary. For additional details, please reference the Driver's License Information Policy.

- * A major credit card or debit card in the renter's name is required on all rentals. If using a debit card please see debit card policy for further qualification information. A deposit equal to the standard estimated cost of the rental will be taken by way of an authorization at the time of rental, and the funds will not be available for use until after the vehicle has been returned. If using a Florida driver's license, a deposit amount of up to \$200.00 USD plus the standard estimated cost of the rental will be required. If Renter purchases RSP, Owner agrees, subject to the actions that invalidate Collision Damage Waiver, to contractually waive Renter's responsibility for the cost to provide 24/7 roadside assistance (where available) which includes replacement of lost keys (including remote entry devices), flat tire service (if no inflated spare is available, the vehicle will be towed. Cost of a replacement tire is not covered by RSP), lockout service (if the keys are locked inside the vehicle), jumpstarts, and fuel delivery service for up to 3 gallons (or equivalent liters) of fuel if Vehicle is out of fuel. Roadside Plus services are only available in the United States and Canada. If Renter does not purchase RSP, or RSP is invalidated as set forth above, roadside assistance will be available, but standard charges will apply. RSP does not apply in Mexico.
